Special Delivery Instructions: _____

I would like to receive 4 bottles of wine billed to the credit card above, 4 times per year. I authorize Coyote's Run Estate Winery to bill my credit card for the wine purchased (to a maximum of \$125/quarterly period plus shipping). I understand that shipping costs are extra and will be billed to my credit card with each delivery. I can choose to pick up my wine at the winery at no cost, if the winery is given 7 days advance notice.

My membership can be cancelled by notifying the winery, 7 days prior to the scheduled delivery.

I am at least 19 years of age.
